People

circa 1980 to 2012

Bob Trubshaw

I have photographed people in a great variety of situations, some as 'street photography', some at pagan rituals and camps, and some in more formal studio shoots.

The first five images were taken using Olympus OM1N cameras with Kodak Tri-X or Fujichrome ISO 100. The girl with a sparkler was taken on a Kodak DC210 Plus digital camera. The rest were taken on Nikon D50 and D300 DSLRs.
